

# CLOSE MORE REO & SHORT SALES

Learn the tool to help your buyers close & your sellers sell!

## Greening Your REO & Short Sales

Learn how to help your buyers and sellers use tax incentives, grants, utility rebates and energy efficient financing to purchase or sell distressed properties from Cheryl King, EcoBroker® certified, CDPE and licensed broker.

### What You Will Learn:

What is an energy audit & how can it help sell more distressed homes?

What is an energy efficient mortgage & how can it help sell more distressed homes?

How to incorporate these powerful tools into your listing & buyer presentations.
